Forecast for Monday 14 Sep 2020

Weather: Cloudy start, some occasional light rain possible across the far west. Low cloud burning off from the east as the morning progresses to leave some hazy sunshine for the afternoon. Some rain is likely to spread northeast for a time later in the afternoon and evening.

Chance of cloud free mountain/hill tops above 800m: Little chance at first with extensive cloud between 450 and 650 metres, cloud lifting off summits by afternoon.

Visibility: Occasionally poor in early rain otherwise generally good, but some haziness in the air possible.
